OUR **LEGACY** AND **GROWTH**

Vinayaka Mission's Research Foundation (Deemed to be University) traces its origin back to the year 1981 when the Thirumuruga Kirupananda Variyar Thavathiru Sundara Swamigal Medical, Educational and Charitable Trust (TKVTSSMECT) was established. Building upon this foundation, the visionary Founder Chairman Dr. A. Shanmugasundaram established the Vinayaka Mission's College of Pharmacy at Salem in 1982. This institution marked the pioneering step of Vinayaka Mission's in the realm of education.

In a significant stride, the year 2001 witnessed Vinayaka Mission's attaining the prestigious status of a "Deemed to be University". This recognition was bestowed by the Ministry of Human Resources Development, Government of India, with the endorsement of the University Grants Commission (UGC), New Delhi under Section 3 of the UGC Act, 1956. This accolade acknowledged the institution's unwavering commitment to academic excellence, its fulfillment of the highest academic benchmarks and its provision of exceptional infrastructure, all of which converged to establish its eminence in education. This milestone heralded the transformation of Vinayaka Mission's into Vinayaka Mission's Research Foundation (VMRF), marking its distinction as the 48th Deemed to be University in India.

Vinayaka Mission's Research Foundation (Deemed to be University) boasts an extensive academic landscape comprising of 13 Colleges and 14 Schools, i.e. 3 Medical Colleges, 2 Engineering & Technology and Management Colleges, Dental College, Homoeopathy Medical College, Pharmacy College, 3 Nursing Colleges, 3 Physiotherapy College / Schools, 2 Arts & Science College / School, 5 Schools of Allied Health Sciences, School dedicated to Law, Physical Education, 2 Rehabilitation and Behavioral Sciences, Economics and Public Policy, Health

Systems. These institutions are spread across four locations in Salem and Chennai in Tamil Nadu, as well as Puducherry and Karaikal of the Union Territory of Puducherry.

The academic programmes offered by the University obtained approval from the relevant statutory authorities, attesting to their quality and relevance. VMRF (DU) stands accredited by the National Assessment and Accreditation Council (NAAC) 'A' Grade with CGPA 3.13.

With an expansive and impressive state of the art infrastructure encompassing more than 17.77 Crores square feet (build up area) across various locations, the University prides itself on its facilities. The University nurtures a rich array of faculties, fostering a strong emphasis on Interdisciplinary and Multidisciplinary Research. 3 Medical Colleges, collectively offering 2972 Beds, extend healthcare services tirelessly to rural populations. The University's engagement with over 30 villages underscores its commitment to healthcare and well-being. Satellite medical centers further augment the University's outreach, while their Virology Research Labs, accredited by NABL, stand as instrumental hubs for SARS-Covid virus testing.

The conducive environment provided by the University helps every student to achieve excellence in their chosen field of specialization. Nearly 21000 students are studying in the various constituent Colleges / Schools and every year approximately 4000+ Medical, Dental, Homoeopathy, Engineering & Technology, Management, Pharmacy, Nursing, Physiotherapy, Rehabilitation and Behavioral Sciences, Physical Education, Law, Allied Health Sciences, Economics and Public Policy, Interdisciplinary Studies, Health Systems Professionals, besides Arts & Science graduate from the University campuses successfully. The dynamic environment created by the University helps every student to develop his / her rational, critical and creative powers, thereby enabling the fullest possible intellectual and personal growth.

Close to 5000+ staff members including renowned faculty, technical and other experts, serve our student community to achieve excellence in education and to make studying at our institutions an extremely pleasurable and rewarding experience. The success of the University lies in its highly qualified and experienced faculty who are competent and dedicated to provide the best education in the possible ways.

Further augmenting its credibility, Vinayaka Mission's Homoeopathic Medical College & Hospital, Salem, Vinayaka Mission's Medical College & Hospital, Karaikal and Vinayaka Mission's Sankarachariyar Dental College, Salem have been accredited by NABH. Vinayaka Mission's Homoeopathic Medical College & Hospital, Salem is awarded A⁺ Grade by MARBH, National Commission for Homoeopathy, New Delhi. Across the university, a remarkable 45 Research Centres / Laboratories spearhead exploration in vital domains including Biochemistry, Microbiology, Food Science & Technology, Virology, Alternative Energy, Environment, Nano-Technology, Pharmacy, Biotechnology, Biomedical Engineering, Artificial Intelligence and Internet of Things.

In tandem with its academic endeavors, the University encourages Entrepreneurship, with MSME-recognized Business Incubation centers at its Engineering colleges and Ganesan Incubation and Entrepreneurship Centre (GIEC), a non-profit section 8 Company for promoting startups. Evidencing its innovative prowess, the University and its constituent institutions hold 180+ patents.

Embodying a legacy of over three decades, Vinayaka Mission's Research Foundation [Deemed to be University] continues its journey of enlightenment, empowerment and innovation, shaping minds and driving progress within the academic landscape and beyond.
